### ABOUT THE TOUR

THE BOOK OF MORMON: FINALLY A MUSICAL THAT STANDS UP TO THE HYPE

The Book of Mormon is a musical comedy about two young Mormon missionaries who travel to Uganda to preach the Mormon religion. First staged in 2011, the play makes light of various Mormon beliefs and practices, but ultimately endorses the positive power of love and service.

The earnest young men are challenged by the lack of interest of the locals, who are preoccupied with more pressing troubles such as AIDS, famine, and oppression from the local warlord.

The show is full of highlights, one being the surreal and incredible Spooky Mormon Hell Dream. The staging, costumes and choreography of this number is one of the best I've seen in musical theatre.

The Book of Mormon brilliantly proves that you can get away with anything in comedy if it's smart and truly funny.

We will finish up the evening with a trip to the ever popular Eat Street Markets.
