### ABOUT THE TOUR

Phil Collins is set to make his long-anticipated return to Australia with his 'Not Dead Yet' Live tour.

Not Yet Dead: Live!, titled after Phil Collins' 2016 memoir of the same name, is a celebration of his life's work and has received both fan and critical acclaim, with The Guardian raving, "Collins' voice slips into gear, and a run of great songs sets the hall alight with excitement", while Irish Independent said "...pop legend Phil Collins proved he could still deliver...", and The Sheffield Star reported, "...he started with a standing ovation and finished with one that almost brought the house down.

With over 280 million records sold, in a career spanning almost 50 years as a solo artist and a member of Genesis, Phil Collins is a generational icon and cultural legend whose work continues to influence and inspire fans, critics and fellow artists such as Adele, Lorde, Pharrell, and Beyoncé.
