HEARTLAND SHOW

Prepare to embark on a vivid, spectacular and emotional ride into the heart of the Australian bush under the iconic red roof with a delicious three course dinner and drinks.

Australian Outback Spectacular's new show will propel the audience into an extraordinary immersive experience of the Australian bush and Outback life, plunging into a powerful experience of dust and beauty, fury and calm, desert, drought and rain, hardship and triumph.

Guests will experience an immersive transformative arena that can appear to spin, turn, shatter and transform - a world of fire, rain and dust, of stampeding cattle, deserts, stock and wildlife.

Enjoy an all new story with true Australian characters, Reg and Marge, who are battling a severe five-year drought on their farm. This heart touching story will resonate with many as it delves into real world struggles that many Aussie farmers are dealing with today. With the help from some unlikely characters, and friendships that will last a lifetime, the pair overcome the harsh realities of life in the Australian Outback.
